LEADING PRIVATE SCHOOLS SALES

SolutionSync GmbH is Switzerland's leading M&A advisory firm focusing exclusively on investment transactions in the education and childcare sectors. Our mission is to connect educational and pre-school providers with strategic buyers and investors.

TAILORED SOLUTIONS

- for a diverse group, including:

- K-12 Schools
- Gymnasium & Boarding Schools
- Language & vocational Schools
- University and Higher Education
- Tutoring Groups
- Childcare/Pre-school Operators

OUR MISSION

SolutionSync is dedicated to being Switzerland's top M&A advisory for the education and childcare industry. We empower entrepreneurs and operators of schools and daycare networks by seamlessly connecting them with strategic buyers and investors worldwide. Through our extensive entrepreneurial background and specialized market knowledge, we ensure our clients can confidently navigate their transitions, mitigate risks, and secure the best possible value for their businesses. Our commitment to integrity and personalized service means we not only create exceptional client value but also foster the sustained growth of the sectors we proudly serve.
